TERMS & CONDITIONS

INTRODUCTION

Welcome to DEPEToken.com - the headquarters of the Don Pepe Cartel ("We", "Our", "Us"). These are the Terms and Conditions ("Terms") that govern how you, as a member of the family, can use our domain at www.DEPEToken.com (the "Territory") and access the services we offer (collectively, the "Business"). By stepping into our world and using the Business, you agree to abide by these rules. If you're not on board, do yourself a favour - step away now.

ELIGIBILITY – ARE YOU IN THE FAMILY?

The doors of the Cartel are open only to those who are 18 or older. By walking in, you're swearing on your honour that you're of age and legally capable of doing business. Also, if crypto dealings are considered "off-limits" in your territory, don't break the rules by stepping into ours.

HOW TO PLAY BY THE RULES

If you want to keep the peace, use the Business for legitimate purposes only. Here's what you don't do:

- ❖ Don't break any laws - local, national, or international.
- ❖ Don't cause chaos that disrupts other members of the family.
- ❖ Don't overload or tamper with our operations. Play smart, play fair.

DEPE TOKEN PRESALE

By putting your trust in the Cartel and purchasing \$DEPE tokens, you agree:

- ❖ The game's risky. \$DEPE' value can rise or fall faster than a getaway car.
- ❖ Do your homework - know what you're getting into.
- ❖ We don't hand out financial advice. If you're looking for guarantees, you're in the wrong business.
- ❖ \$DEPE tokens don't give you a seat at the Don's table - you're not buying ownership, just joining the movement.
- ❖ Tokens will be delivered once the presale's done. Patience is part of the hustle.

PAYMENTS AND DEALS

All transactions must follow the Don's instructions as outlined on the Territory. Here's how it works:

- ❖ Payments are handled through smart contracts engineered by trusted outsiders.
- ❖ We don't mess with your payment details - your wallet is your business.
- ❖ Blockchain tech keeps things rolling, but any delays or hiccups? That's out of our hands.

STAKING AND CLAIMS

If you decide to stake your \$DEPE tokens, here's the deal:

- ❖ Tokens will be ready for claiming 7 days after the claim process goes live.
- ❖ Any rewards earned during the staking period will be yours to collect when the time comes.

PRIVACY POLICY – THE CODE OF SILENCE

Your business stays your business. By using our services, you agree to the practices outlined in our Privacy Policy, available on the Territory. Trust is the cornerstone of our family.

INTELLECTUAL PROPERTY – THE FAMILY'S LEGACY

Everything on the Territory - designs, features, and content - is part of the Cartel's empire. These are protected by law and belong to us or our trusted allies. Don't mess with the Family's legacy.

DEALS WITH OUTSIDERS

Sometimes, we may send you to other neighbourhoods (third-party links). What happens there is none of our business. We're not responsible for the goods, services, or trouble you might encounter outside our Territory.

TERMINATION – BREAKING THE CODE

The Don reserves the right to revoke your access to the Cartel's Business immediately, no questions asked, if you break the rules. If you want to leave, simply walk away. Some rules (ownership, liability, etc.) will follow you wherever you go.

LOYALTY TO THE FAMILY

You agree to defend and protect the Cartel from any harm brought by:

- ❖ Misusing the Business.
- ❖ Breaking these rules.
- ❖ Violating the rights of others. Remember, loyalty is everything.

LIMITATION OF LIABILITY – RISKS OF THE GAME

The Cartel isn't responsible for:

- ❖ Losses from using or not being able to use the Business.
- ❖ Unauthorized access to your details through no fault of ours.
- ❖ Any bugs, viruses, or tech glitches you might encounter.
- ❖ Damage caused by any content you come across in the Territory.

GOVERNING LAW

The Cartel operates under the laws of the British Virgin Islands. Disputes will be handled there, in line with our code.

CHANGING THE RULES

The Don reserves the right to tweak the rules whenever necessary. If the change is major, you'll get at least 30 days' notice. By sticking around, you accept the new terms. If not, we understand - step away.
